License Number	
Address	
City	
State	
Zip Code	
Phone Number	
Fax Number	

Bed Number	Origin of Seed	Location of Beds (incl. Map)	Planting Date	Number of lbs. & oz.	Year Harvested	Shipment Number	Purchaser

Under AGR 3400, growers of ginseng are required to keep accurate and complete records on the cultivation of ginseng including: origin of seed, location of beds (including site maps), planting dates, number of pounds and ounces, license number and shipment number. Planting, harvesting and sales records shall be submitted annually to the department. The records shall be kept for a period of 5 years. Dealers and growers shall keep records on forms provided by the department and shall make them available upon request.

I agree that the above information is correct: (please sign to attest the validity of this document):
